# **LIBRARY NEWS**

Thanks to  
Andrew, we have  
new lighted signs to  
help with the library.

Be sure to check them out soon!

There are several new volumes, available

By one of the lighted signs.

Reading how the Lord works in everyday lives is such a blessing!  
Turn off the TV and curl up with a story or reading that will enrich your life.

## **HIS LIGHT FOR HAITI**

Laurie and Janet and their husbands leave for Haiti on  
November 18 for a week. PLEASE be praying for the trip, for their safety and  
for God's results. Our ladies have created 60 women's health care kits for the  
ladies of the church there... no small task! But to serve our Lord

in giving to those who have so little is a blessing for us. We have plans to make and sell wreaths  
this Christmas. This proved to be a very worthwhile fundraiser a couple of years ago and thanks to  
Don and Judy Swan and their marvelous supply of greenery, we will do it again! Please volunteer to  
help when the time comes! John Johnston, pastor at New Hope, donates Christmas trees for them,  
so those will be available also. We will be taking orders!

## **TUESDAY AM BIBLE STUDY**

Over 20 of us gather each Tues. AM around 9:00 to enjoy fellowship and study. The Book of Acts is  
our focus this year and is proving to be very worthwhile. How important it is to STUDY and to  
become more and more appreciative of God's Word!

We use a workbook format which everyone seems to find very valuable. Make plans to join in.

## **MOMS IN PRAYER**

Amanda leads this valuable ministry every Tuesday evening at 6:00 PM right here at the church.  
Make the extra effort to come, pray for your family and for others and watch the Lord move,  
work and bless those you love.
