UPCOMING MEETINGS

Saturday, January 12, 8:00 am • Mens' Breakfast

Thursday, January 17, 9:00 am • Elders' Meeting

JANUARY NEWS

■ CANTATA UPDATE

MANY thanks to ALL who helped to make this, our 20th Community Choir, a worshipful and blessed event. There was standing room only on Saturday, December 22, as we sang JESUS! ADVENT OF THE MESSIAH. The church was comfortably full on Sunday, December 23, and the generous offerings allow us to purchase new music for the upcoming Easter season. Since Easter is later this year... April 21, we will start rehearsals in February for the Palm Sunday presentation on April 14.

■ GOOD NEWS CLUB BREAKFAST

On February 9, we are planning a Good News girls' breakfast in the newly redone downstairs vestry with the women, while the boys will join the men upstairs for their monthly breakfast. This has proven to be a fine outreach and support to the active Good News Clubs here in Dexter.

■ GYM IS REOPENED

For all who have been asking, the downstairs basement room with gym equipment is up and running! We have some fine equipment and encourage everyone to stay fit and healthy with this great opportunity! Thanks to Andrew, as always, for pulling it altogether!

■ UPDATE ON WORK PROJECTS AT CHURCH

There is now a handicapped bathroom in the upstairs fellowship hall. Thanks to Andrew, a new sink, compliant with handicapping requirements, was installed recently. There is need of volunteer work to strip both bathrooms of paper and border in preparation for painting. New drop ceilings are needed in both. Work will begin this spring on the downstairs bathroom as well.

If anyone wants to contribute toward a building project, we need LED bulbs. Andrew has been faithful to put LED lights everywhere.

Down by the nursery, the youth group kids, with Andrew, are creating their own space. Two small rooms have been combined into a large usable area. Feel free to ask if there might be a project you could assist with!

■ GROUP WORKCAMP

This summer... July 21 through 27, over four hundred youth from around the nation will come with chaperones to Dexter to work in Christian service. More details will follow, but Andrew is excited to bring this opportunity to our local area. Anyone is welcome to apply to have help with painting, repairs, yard work, etc. Rental property is exempt from the help, but anyone else is encouraged to investigate this opportunity. Speak to Andrew!
