Everyone welcome
Check for Summer Schedule

Thursdays

6:30 pm Prayer Meeting

SUMMER EVENTS:

- JULY 18-22: Camp Jireh in Hermon... our VBS
- JULY 10-16: Group Work Camp...over 300 students from all over the country will be in Dexter and the surrounding area to work in homes where help is needed with a variety of building projects, maintenance etc. This will be the third year that this kind of assistance has been offered and so appreciated by local residents. It has become a whole community project but requires much work and planning. Pray that it is a successful experience and that the Lord is honored with the love shown.
- JULY 23-31: Our youth group trip... Pastor Andrew and assistant, Laura Gordon, will be off with 5 youth group members to Harrisburg PA for a work camp experience of their own! They have been busy raising money and would appreciate any contributions. More information is available at <https://youthworks.com/trips/harrisburg/>

Isaac has created a model that will show the progress of our contributions, he will add a Lego block for each \$3 contributed.

Below are photos of the present building - outside and inside. More space is definitely needed.

Pastor Wawa and his wife Josette will be visiting us at FBC on July 23. Save the date and give them a warm welcome.

TUESDAY MORNING BIBLE STUDY

We will close our successful year of study on June 8 with a picnic at Carol Sherburne's farm. We plan to meet on the second and fourth Tuesday mornings of July and August to finish David Jeremiah's study of Elijah. The dates are as follows: July 12 and 26 and August 9 and 23 at 9:00 AM. Plan to join us in the fall when we will resume our studies on a selected book of the Bible.

KAREN DOW'S VERY SUCCESSFUL FUND RAISER

We are so very grateful that Karen held a spring garden tour in May to benefit His Light for Haiti. The contributions that day amounted to over \$1500, to be presented to Pastor Wawa and his wife Josette when they come to FBC on Saturday, July 23, for a Meet and Greet. We hear that the garden tour, the path to follow down by the stream and the luncheon all made for a delightful day for all. Many thanks all around!

A NEW PROJECT FOR HIS LIGHT FOR HAITI

The Mission School that we help to support in Haiti has need of a second story to be added to an existing building used as a classroom. With the enrollment well over 400 children now, the state is demanding more classroom space. There are several buildings used at present, including the tabernacle. Our artist friend, Isaac Bermudez, has created a model of the first floor now existing and he is going to build a second floor with Legos as money is contributed each week!

We are off to a GREAT start. After announcing it on Sunday, we received generous contributions and added the coins from the Haiti jar, giving us \$287.55 to get us going! Isaac will add a Lego piece to the wall for every \$3 contribution. Be sure to follow his progress as he now has 95 Legos in place. It is all displayed at the front of the sanctuary.

For our new people at church, there is a one page story of our involvement in this great ministry, His Light for Haiti, started here in Dover-Foxcroft about 12 years ago. Pastor Wawa, the liason there in Haiti, will be in Maine this summer and so wants to meet our people to thank us for our help through the years. We are so privileged to be a part of this Spirit led ministry. Do plan to join us on Saturday, July 23. Details of time, etc. will be in the July newsletters.
