Greetings from FBC as summer has arrived in its full glory!

These pleasant days {busy days!} go too quickly in Maine as we scurry to enjoy the many outdoor activities. Remember to give thanks each morning for God's goodness. Words from David Jeremiah's Turning Point magazine for May 30 sums it all up: "A good way to remember the goodness of the Lord is to thank Him daily, preferably at the beginning of your day, for the blessing of knowing Him - for His mercy, love, power, and more that covers the pathway of our life and the day that is just beginning."

Summer activities here at FBC are picking up speed!

- On June 23 over 200 youth from around the country will arrive as Group Camp workers tackle projects all around Dexter. Pastor Andrew is the Group leader and has been busy with others from the community lining up helpful carpentry and painting tasks for the youth to accomplish. The youth are housed and fed at Ridgeview School. On Wednesday of that week the Kiwanis provide a fun afternoon at the Dexter Public Beach with a barbeque and festivities. The local people provide canoes and kayaks to use and some even offer boat rides! Be sure to drive around town and offer encouragement to the workers during that week!

- The youth heading to Costa Rica this August will be doing their last fundraiser on Saturday, July 15. Details will follow in the July/August newsletter about a Sight and Sound movie which will be shown at the church.

Many thanks to everyone for supporting this year-long project.

- We are hearing positive news from Pastor Wawa in Haiti! Prayers are definitely being heard and help from the UN has arrived. Troops have arrived from Kenya to quell the gang violence, schools are opening again and people are able to get food and water. His Light for Haiti programs in Port au Prince are functioning again. Praise the Lord, truly.

- The Tuesday summer Bible study with Karen Dow leading is proving very successful. We meet on the 1st and 3rd Tuesdays at 9:00 for fellowship, 9:30 for the lesson, "Momentum" by Colin Smith, on the Beatitudes. Plan to join for the hour of study!

Over 6000 enthusiastic learners attend this annual event to hear outstanding speakers (including one of our favorites, Sinclair Ferguson), musicians and glorious hymn singing.
